Sharing the Gospel with Albanians, in the language of today

Albanian Digital Connection (ADC) is a non-profit ministry that uses digital media to bring the good news of Jesus to Albanians, wherever they live. The message has not changed. The ways people listen have.

WHO WE ARE

A ministry for Albanians, built for the screen

We tell the truth about Jesus and about who we are as human beings, using modern forms of communication. We write, translate and publish Christian content in Albanian, and meet people on their phones, on social media and on video.

WHAT WE DO

- **Christian books in Albanian** for children, youth and adults, including the series “Little Me, Big God” (ages 4–8).
- **Free online Bible study** through Hapi Tjetër: five minutes a day, with a personal instructor.
- **The Bible in Albanian** on Bibla.al, with audio and daily devotionals.
- **Articles on faith and life** that meet everyday struggles with biblical hope.
- **Practical tools** such as a career counseling test and essay-writing help.
- **Conversation on social media** about culture and the Gospel.

“Go, and make disciples of all nations … teaching them to observe all things that I commanded you.”

MATTHEW 28:19–20 (WEB)

Albanian culture today lives largely online. Just as the Bible was translated into Albanian, we “translate” the Gospel into digital language, without changing the message.
